This paper is submitted in response to the Notice to File Missing Parts of Application Under 37 C.F.R. § 1.53(f), dated November 08, 2004.

On December 19, 2003, the Applicants filed a Response to a Notice to File Missing Parts. In this response, the Applicants properly included the required documents, including the Declaration and Power of Attorney and Assignment. Thereafter, the USPTO returned a Notice of Recordation of Assignment Document Reel/Frame No. 014841/0844.

It appears that in addition to the Notice of Recordation of Assignment, the USPTO inadvertently returned to us the Declaration and Power of Attorney that was previously filed by

the Applicants on December 19, 2003. Consequently, the USPTO recently sent another Notice of Missing Parts to the Applicants on November 8, 2004, requesting the Applicants to submit a Declaration and Power of Attorney.

As noted, the Applicants had properly and timely submitted the requested document on December 19, 2003. However, since the USPTO issued another Notice to File Missing Parts in November 8, 2004, the Applicants respond by including the following documents:

- (a) Declaration and Power of Attorney; and
- (b) A copy of Notice to File Missing Parts of Application-Filing Date Granted.

Because the Applicants properly and timely submitted the documents that the USPTO now alleges are missing, no fee is believed to be due in connection with the filing of this document. However, should any fee under 37 C.F.R. §§ 1.16 to 1.21 be deemed necessary for any reason relating to this document, the Commissioner is hereby authorized to deduct said fee from **Williams, Morgan & Amerson, P.C. Deposit Account No. 50-0786/2100.004400.**

Please date stamp and return the accompanying postcard to evidence receipt of these documents.

Respectfully submitted,

WILLIAMS, MORGAN & AMERSON, P.C.
